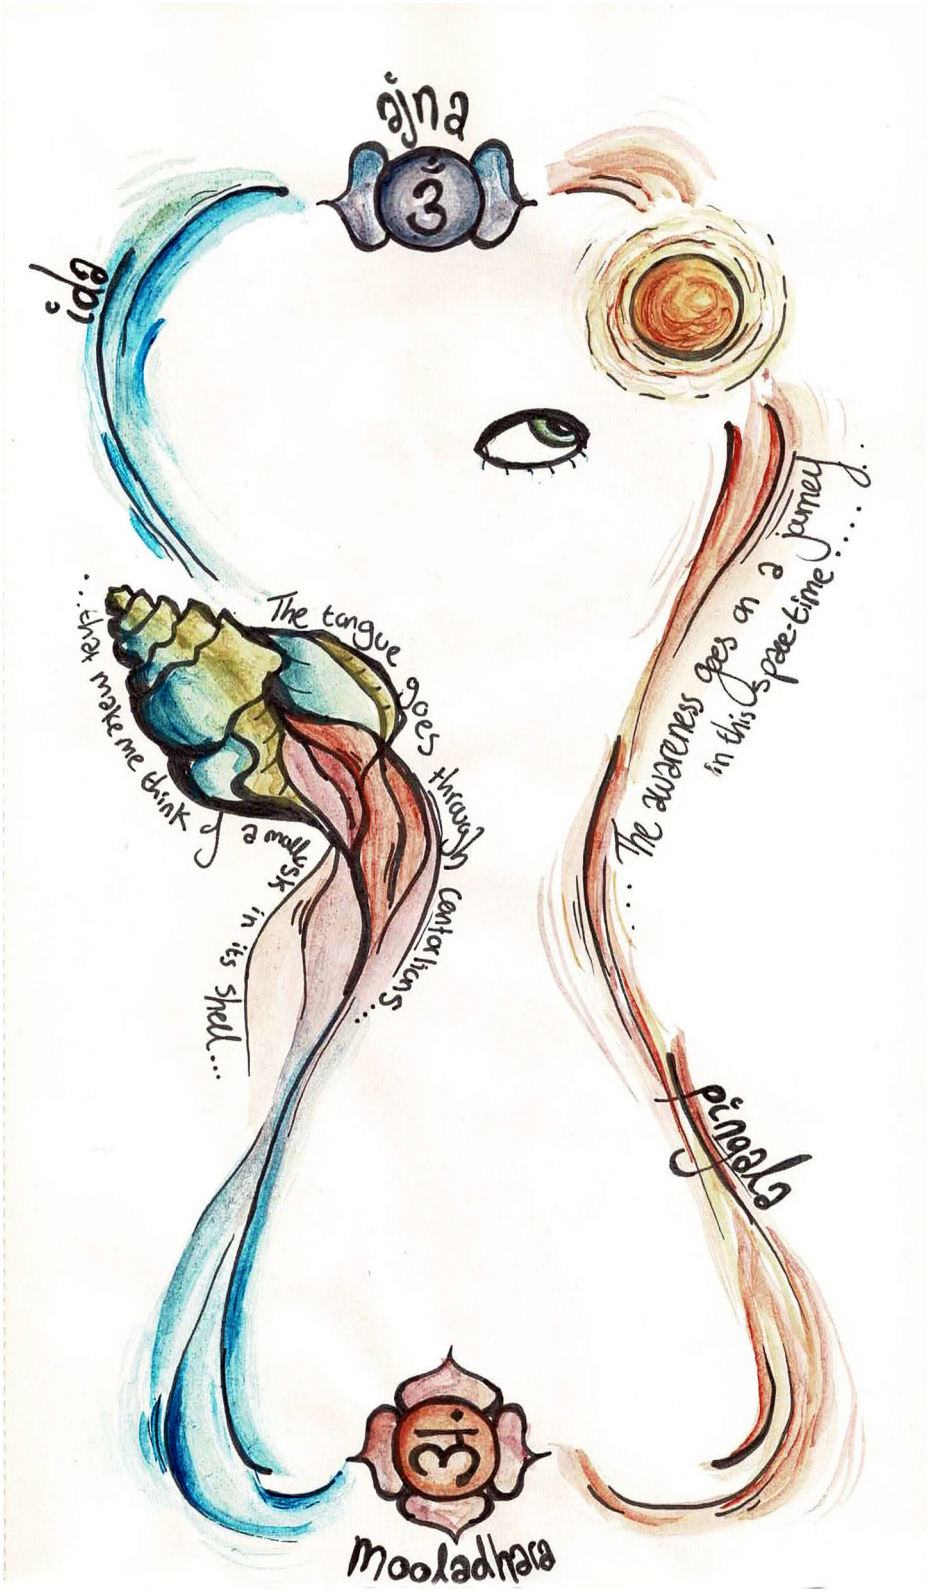
Beyond The Pituitary.

by Yogi Maheśvara

Khecari Mudra

The fountain of **sahasrara** activates;
I became more sensitive to the '**shower of Grace**'.

∴ the tip of my tongue against **sella turcica**;
a powerful **internal switch** sets up:
Śakti makes herself at
home & swirls freely
in the **inner space**



ajna
ida
The tongue goes through contortions...
...that make me think of a mollusk in its shell...
The awareness goes on a journey in this space-time.....
pingala
mooladhara

...this tongue, armed with its psychic extension, dares to leap, to bite and taste...
...as the body of the tongue rises higher...
...these are holy moments where Maha Kundalini, Śakti, who reveals the dance...
...it is the Goddess, the

The panic hike seeks itself up, the wind is strong....
...a particular dynamic which takes pleasure as a kind of sensual dance...
